Commissioner for Patents  
PO Box 1450

Sir:

Patentee hereby requests a Certificate of Correction.

The requested change corrects a typographical error in claim 19 at Column 84, line 16. The nature of the requested correction does not involve changes that would constitute new matter or require reexamination.

The requested correction corrects a typographical error in the claims in which the words “from the group a consisting of” are replaced by the words “from the group consisting of” by deleting the word “a” in the second line of claim 19. This mistake is of a typographical nature, as is evident by inspection.

Patentee therefore submits that this is an appropriate case for a Certificate of Correction. Submitted herewith is a completed Form PTO-1050 containing the requested correction.

The Commissioner is authorized to charge the filing fee of \$100.00 for the Certificate of Correction, and any additional fees that may be required, or credit any refund, to Deposit Account No. 08-1641, referencing Attorney's Docket No. 39766-0073 A2.

Respectfully submitted,

Date: January 24, 2007
